Customer Problem Statement :

How much inventory should I carry? Too much inventory means working capital costs, operational costs and a complex operation, lack of inventory leads to lost sales, unhappy customers and a damaged brand.

I am	I'm trying to	But	Because	Which makes me feel
Dhivagar R	I am trying to buy the product at the discount	Makes more time and difficulties to buy the product	High crowd at the shop......	Makes satisfaction for the discount sale.
ManikandanR	Buy a product in the online	Lack in the product quality	Some retailer trying to cheat the customers	Frustration
Naveen M	Sale a product as the shopkeeper	I have difficulties in finding the profit	giving more discount to get more customers	Frustration
Ragulramkarthi S	Sale a product in online	I have difficulties in finding the locatins of the customers	Lack of internet connections sometimes	Frustration
